DOCTOR IN RUNAWAY.

Elbow Dislocated and Many Bruises Received.

(Special to The Times-Dispatch.)

VIENNA, VA., Jan. 6.—The horse attached to the buggy of Dr. S. R. Jordan ran away Thursday night about 9 o'clock, while the doctor was on his professional visits, when within two miles of the town. The doctor was thrown from the buggy, and the horse, with the buggy, were caught in this place.

A searching party went out, and found Dr. Jordan with his elbow dislocated and his head badly lacerated. He was brought to his office, and his partner, Dr. F. D. Drewry, attended him. The dislocated elbow was put back into place and the wound on his head was dressed, after which Dr. Jordan was sent to his home.

He is said to be resting well now. Dr. S. R. Jordan is a nephew of former State Senator, William I. Jordan, of Halifax.

CITY FATHERS.

They Are Scheduled for a Rather Dull Week.

As far as now known, the city fathers have something of an off week before them. Tomorrow night the sub-Finance Committee will try to hold a meeting to consider the question of the purchase of the docks by the city.

The Chamber of Commerce secured an option on this property, and in effect, turned the same over to the Council, urging that the city set for to-morrow night. The Chamber of Commerce will be referred to sub-Finance Committee, composed of Messrs. Pollard, Dabney, Woodburn, Pitt and Greer.

Tuesday night the Board of Aldermen tried to have a meeting last Thursday night, but a quorum failing to show up, nothing was done. Another meeting was set for to-morrow night. A committee from the Chamber of Commerce will be on hand to urge the proposition.

Tuesday night the Board of Aldermen will hold their monthly meeting, and beyond this the calendar for the remainder of the week is blank. Special meetings of the standing committees may yet be called. Indeed, it is possible that what now looks like a very dull week may turn out to be an exceedingly busy one.

Machine Wouldn't Work.

Samuel Corbin, an aged negro, who lived in Henrico county, came to Richmond a few days ago and gave a young negro \$20 for a machine that would make money. The machine was to be left in a negro saloon, and Corbin was to get it yesterday. He hasn't seen the wonderful invention yet. Nor has he seen the young negro who sold the thing, and that's the reason the police were asked to investigate the affair.

Annexation Case in Earnest.

The annexation question, on its merits, will be heard by Judge Garnett, of Mathews county, who some time ago overruled the demurrers of those contending against the scheme, on the Twenty-third of this month. The judge has written City Attorney Pollard to this effect:

The case is now to be heard on its merits. Matters of fact will be introduced and the reasons for annexation will be argued. There will be no more technicalities to be discussed.

REINACH'S NEW MILLINERY PARLORS

Models of Their Kind—Rival Any in the South.

A store strictly for women and the glory of woman's finery, embodying appointments truly metropolitan in their conception and equalling the best establishments of the kind in the South. A woman's store, surrounded by the quaintness and charm of femininity. This is Reinach's gift for the New Year from Mr. Ike Reinach. It is the outgrowth of a business established several years ago, that has been fostered by enormous patronage from the general quarters. In accord with his progressive spirit Mr. Reinach secured the new store, 107 East Broad Street, and made of it a millinery establishment and woman's store that is up-to-date in every particular—everything that a woman's shop

should be. The furniture and fixtures are quartered on throughout, and the entire establishment is ideal in its comfortable business, and sanitary arrangements. Besides the appropriate fittings of the millinery department, the second floor is given over to the elegantly furnished parlors for the display of more expensive imported and domestic stock models and pattern hats of every description. The approach to the parlors includes a gem of a ladies' boudoir and toilet room, fitted with every convenience for the comfort of shoppers and as a meeting place for the ladies. It includes luxurious lounging chairs, couches, writing and reading tables. Mr. Reinach has gone further than the necessary in equipping his new store. Indeed, the present establishment represents the expenditure of a small fortune.

Mr. Reinach believes in the sterling quality of his merchandise. It has made his success, and the parlors and show-rooms are fully stocked with millinery creations of master minds. Lavish head-gear in silk, velvet and plumes modeled after the most bewitching designs in contemporary modish hue and color, yet worked together in perfect harmony, that must charm their beholders, especially the feminine world. The Reinach store employs only the most skillful milliners, every one of whom may be classed as an artist who can depend upon to create the best. Mr. Reinach, however, needs no introduction to Richmond people. His store has always been an attraction and the new one will probably be more so than ever.

TRIED TO SAVE OTHERS BRAVE GIRL LOST LIFE

(By Associated Press.)

ST. LOUIS, MO., January 6.—Three women were burned to death and one was injured to-day in a fire that destroyed a boarding house at No. 1611 Missouri Avenue. The building caught fire from the furnace.

The dead: MRS. PAULINE HERMANN. MISS JEWELL READ, daughter of the proprietor.

MRS. PULVER MACHER. Mrs. Miller, aged seventy years, who was sick, jumped from an upper window, breaking a leg.

Miss Jewell Read lost her life in trying to save others. She rushed into the street and cried for help. Then she dashed back into the house to alarm the occupants. The three bodies were found in the bath-room.

STATE TAXES.

Treasurer's Office Will Soon Be Ready for Them.

There seems to have been some misunderstanding as to when the city treasurer's office will be ready to receive State taxes for 1905. The confusion in the office has, of course, been unavoidable, and must necessarily continue for a little while longer.

The question of the payment of poll taxes in time to enable people to vote in the next city election is a complicated one. The time, as provided by Constitution, has already passed, but owing to the confusion caused by the death of the late treasurer, the fault does not lie at the door of the taxpayers and it would seem to be a pity that they should be deprived of the privilege of voting in the June election.

Possibly Judge Witt may be able to pass upon the question, or it may be that an act of Legislature will be necessary to comb down the rough corners of the law as it now stands.

At any rate, the city treasurer hopes to have things in good shape in about ten or fifteen days, and be ready to receive State taxes just as fast as the people are ready to pay them.

Mr. Eggleston Here.

Favors Less Acreage.

(By Associated Press.)

LAKE CITY, FLA., Jan. 6.—The Association of Long Staple Cotton Growers, which has adopted resolutions strongly advocating the reduction in long staple cotton acreage next year of 25 per cent. The resolutions also favored the establishment of a bureau in county seats, and insisted on changing the day of paying fertilizer bills to December 1st, instead of October 1st. The farmers were urged to borrow money from banks rather than mortgage the cotton crop, and also to sell no cotton in the State. The association here has nearly \$100,000 worth of long staple cotton.

AFTER DIGESTION—WHAT?

It's not enough to digest your food, and reduce it to pulp or liquid inside you, but it must also be properly absorbed, carried to the proper organs, filtered, purified, and carried by your blood to the various parts of your body which are worn out and stand in need of repair.

This is a system of complicated machinery, engineering, chemistry and physics, before which all of man's most wonderful achievements since the world began, pale into insignificance.

And, when you come to think of it, next to the mechanism of any complicated piece of machinery, it is the man who, when it has broken down, can repair it and make it go again.

Really, the most marvelous achievement in the vast field of man's many-sided endeavors.

A perfect medicine, which never fails to cure, or set in hindrance, the complicated mechanism of man's internal digestive arrangements.

The secret of the great success of Stuart's Dyspepsia Tablets, is simply this, that they have been prepared upon the firm foundation of the most thorough research into the real origin and cause of all disorders, due to the improper digestion and absorption of food.

Knowing the cause, further research led to the knowledge of how to relieve and cure.

Stuart's Dyspepsia Tablets are the only medicine founded upon certain scientific laws of treatment, which make success a certainty.

They penetrate into all the channels of your being, into the minutest arteries, the tiniest lymphatics, the faintest tracery of nerve tissue; and renew, build up, refresh, and restore to health, every disorder which improper food, poor digestion, or incomplete absorption has caused, in any portion of your anatomy.

Next to curing the physician, the most important thing is to eat, take Stuart's Dyspepsia Tablets.

On the least pain or discomfort, in stomach, liver, back, or bowels, take Stuart's Dyspepsia Tablets.

For any craving for improper food, continual hunger, continual thirst, or loss of appetite in gross or less form, take Stuart's Dyspepsia Tablets.

By following these simple rules, you will save yourself much pain, suffering and discomfort, and will add greatly to your span of life.

Stuart's Dyspepsia Tablets will make you live long and happily.

CHURCH GETS MONEY FOR DAMAGE IN WAR

The Pastor Gets a Pounding, Smallpox Scare Passed.

(Special to The Times-Dispatch.)

SPOTSVYLVANIA, VA., January 6.—The United States Court of Claims has awarded Zion Methodist Church, located here, \$1,200 for damages to the building by Federal soldiers in the Civil War, and the Methodists here are very much rejoiced at receiving the news.

No new smallpox cases have developed at Sunlight, this county, since Tom Watson, colored, broke out some time ago. Prompt steps were taken to quarantine those persons who had stood a chance to contract the disease, and it is not thought that it will spread. For a little while people hereabouts were very much scared, but fears have been allayed.

Mr. E. W. Smith, assistant to Mr. T. A. Harris, county clerk, has commenced his duties. Mr. Smith has built a residence near here and removed his family thither.

A generous "pounding" was given Rev. E. F. Durham and family, New Year's night by the Methodists and other Christians, who gathered at the parsonage in this village and had a delightful time, leaving behind them many substantial tokens of their good will and esteem.

Rev. J. T. Whitley, D. D., presiding elder of the Rappahannock District, will hold the first quarterly conference for this charge and preach at Zion Church, at this place, January 13th and 14th.

ADAMOWSKA COMING.

Noted Polish Pianist and Virtuoso and Miss Kaspar to Appear Here.

February represents a banner month in musical circles. It will be marked by the initial appearance of Richmond's new and superb musical organization, the Adamowska Musical Society, assisted by the celebrated Polish pianist and virtuoso, Madame Antonette Adamowska.

Madame Antonette Adamowska, who made a hit on the occasion of her first performance in Richmond last January. The sole features of the excellent programme will fall to the lot of Miss Antonette Adamowska, a soprano singer of national reputation, who has already sung in Richmond a number of times.

The Richmond Choral Society includes a chorus of about 100 thoroughly trained voices, under the leadership of Dr. W. H. C. McGeehee. This society was organized October 1, 1905. The music and executive committee and director are comprised of local musicians and singers of the highest order. Dr. W. H. C. McGeehee, who is director of the choir at Grace Episcopal and First Presbyterian Churches, is also director of the society.

Messrs. Harry W. Wood, William C. Mann, Charles L. Cooke, J. G. Corley, Eugene C. Massie, Christian H. Clarke, Adolphus Blair, A. F. Robertson and Alex. W. Forrester form the executive committee. Mrs. W. H. C. McGeehee, Miss Myrtle Bedford, Miss Anna Lee, Mrs. E. F. Durham, Mrs. S. N. Staples, and George C. Blagden represent the music committee. Mr. Raymond E. Lightner is the accompanist and Messrs. A. C. Cop and Maxwell Conner and M. E. Rohleder are the library committee.

The society has been rehearsing some street choral numbers, among them being the cantata Sleepers Wake, by Bach, a church cantata for bass, soprano, solo, chorus and orchestra founded upon Nicolai's famous hymn of the same name. The society has achieved extraordinary success in rehearsal of Schubert's Overture "The Song of Atrium."

A successful future is predicted for the new musical society. The accomplished directorship and personnel of its members is a guarantee of this.

The February Music Festival will be held on the 8th of that month at the Academy of Music and tickets may now be obtained from the Cable Company on Broad Street.
